*Pavlo Hryhoruk, +38067-3517171, violete@ukr.net, hryhoruk@khnu.km.ua
 Nila Khrushch, +38067-7955905, nila.ukr@gmail.com, khrushch@khnu.km.ua,
 Catherine Gorbatiuk, +38067-3114306 (Senior Secretary), conf.asme@ukr.net*

Participation information:

To participate in the conference it is necessary to go through the registration and submission of papers on the platform of EasyChair (see **Paper submission**) by July 14, 2019, and send an application form to the email address conf.asme@ukr.net.

Application form

Last name		
First name		
Middle name		
Scientific degree		
Academic status		
Position		
Organization		
Title of the presentation		
Section number and title		
Form of participation:	<input type="checkbox"/> report at the plenary session or at a section meeting <input type="checkbox"/> correspondence (only with the participation of one of the co-authors)	
The need for technical equipment	<input type="checkbox"/> yes	<input type="checkbox"/> no
The need to stay	<input type="checkbox"/> yes	<input type="checkbox"/> no
The need for a personal invitation (only the electronic version is sent)	<input type="checkbox"/> yes	<input type="checkbox"/> no
E-mail		
Telephone		
Date of arrival		
Departure Date		

The organizing committee is kindly asking to inform them about the date of your arrival and the quantity of participants, that will visit the conference, not less than in 10 days before the conference starts.

Important dates:

by 14.07.2019 – abstract submission date
by 21.07.2019 – full paper submission date
by 04.08.2019 – notification of acceptance date
by 20.08.2019 – final paper submission date

Participation fees:

Participation fee in the amount of 400 UAH includes: attendance at all sections, coffee break, printed version of the program of the conference and the certificate of the participant.

For the team of authors of the article accepted for publication, the indicative publication fee is 150 euros.

Requisites for payment of the participation fee will be sent to the authors of the accepted articles by September 22, 2019.

Publication of conference materials:

Accepted papers will be published by the Atlantis Press (Paris, France) <https://www.atlantis-press.com/> in electronic form on the site: <https://www.atlantis-press.com/proceedings/all>

The materials of the conference will be submitted for indexing in databases: **CPCI (Web of Science)**, **CNKI** and **Google Scholar**.

The publisher applies the copyright policy specified in the Creative Commons License No. 4: <http://creativecommons.org/licenses/by-nc/4.0/>, according to which the transfer of copyright to copyright is not carried out. The publisher receives a single and exclusive license for the production of the work, or any part of it, for the sale of the work in book, serial, or electronic form in any language throughout the world and reproduction of the work in any form.

Submission requirements:

1. The submission should be original paper that contains scientific novelty, have not previously been published and were not submitted for publication to another publishing house.

2. The subject of the article should correspond to the conference topics.

3. The language of the article is English.

4. The article should be formatted in accordance with IEEE standard requirements. The template for the paper can be found at the link

http://www.ieee.org/conferences_events/conferences/publishing/templates.html or on the conference site. In this case, you must remove the line from the footer of the template XXX-X-XXXX-XXXX-X / XX / \$ XX.00 © 20XX IEEE, which is standard in the template.

5. The paper is submitted in doc (docx) format.

6. The size of the paper should be 4-6 pages.

7. Using of colored figures is allowed. In this case, the pdf-format of the article can't exceed 1 MB.

8. References should be made in accordance with IEEE-style:

<https://development.standards.ieee.org/myproject/Public/mytools/draft/styleman.pdf>

https://ztu.edu.ua/ua/science/files/1_IEEE-style.pdf

9. There should be the references for at least 10 sources, and, with some exceptions, not older than 10 years.

10. Self-citation in the list of references is not desirable and is allowed, if necessary, in the amount not more than 10%.

11. Each author can be in the author's team of no more than two articles.

12. The author's team may include no more than four authors.

13. The presentation of the article and the report of at least one of the authors at the conference is compulsory.

Paper submission:

1. To submit materials, authors need to log into the EasyChair system at <https://easychair.org/my/conference?conf=smtesm2019>.

2. If the author has never worked with EasyChair and is not registered in it, you must click on the "create an account" link of the login form. After creating an account, you need to log in to EasyChair.

3. After entering the conference area SMTESM-2019 on the page **New Submission** you need to download data about the article.

4. It is necessary to strictly adhere to terms of submission of articles.

5. All articles will be double-checked for plagiarism: the first – by the organizers of the conference, the second – by the publishing house. In case of plagiarism, the article will be rejected for publication.

At the end of the submission period, the review of the full text of the article will be conducted according to the following criteria:

1. Relevance to the topic of the conference.
2. Informativeness of the annotation, the presence in it of the main results and conclusions.
3. Presence and level of scientific novelty.
4. Compliance with the formatting options.
5. Correspondence of the contents of the title of the article.
6. The quality of illustrative and tabular material.
7. Completeness and novelty of used sources.
8. The quality of the scientific style of the English.
